## LETTERS & NOTICES

It doesn't seem possible that a year has passed since we took over editing Spectrum. We would like to thank all contributors for getting material to us on time and hope that you have enjoyed the magazine. We always welcome suggestions for ways to improve both layout and content, bearing in mind there are some constraints in terms of overall size.

We are currently on holiday so a special thanks to Mickey Pallett who is producing the February and March issues.

Regards  
John and Margaret

### Donations

We have received a number of donations in the past few weeks, Our grateful thanks to all the organisations who have supported us in this way

### FENSTANTON MORRIS BOXING DAY 2010

In spite of it being a bitterly cold day, the Fenstanton Morris side was joined at the Clocktower and at the White Swan in Conington by a good audience. It was not too cold for people to put their hands in their pockets and contribute to our collection. This, together with donations from kind neighbours who were unable to attend, amounted to £74.40. This will be added to other Fenstanton Morris contributions and sent to Macmillan Cancer Support.

## Neighbourhood Watch in Fenstanton, Hilton and the St Ives District

### **“We will transfer the fear of crime from the victim to the offender”**

These words were spoken by Simon Parr our new Chief Constable for the Cambridgeshire Constabulary . A very positive and inspiring message.

Would you like to help him to fulfil this target? Then why not join a Neighbourhood Watch scheme or become a co-ordinator and start a new scheme in your area?

### **What is Neighbourhood Watch?**

One aspect is helping to reduce crime and the fear of crime by working in close harmony with your local Police Officers.

We can also work with other agencies in helping to stop anti- social behaviour, something which for some people can be a nightmare. If we work together and not alone this can be reduced or even eliminated.

Graffiti, litter and fly tipping, can spoil our community, but again we can work together to eradicate these problems.

So as you can see Neighbourhood Watch is not “Peeping Toms” a saying heard many times. We are interested in making the community and our neighbourhood a better place to live and work.

If you want to know please make contact. We will be happy to visit you and answer any questions and hopefully set up a scheme in your road or area

## FENSTANTON PARISH COUNCIL JANUARY 2011

**Police report.** the following incidents had been reported to the Police:- 4 incidents of criminal damage, 1 burglary, 4 incidents of breaking and entry. 1 theft from an Allotments shed, 2 thefts from vehicles, 1 incident of damage to a vehicle, 1 theft of a vehicle, 4 incidents of obtaining fuel without paying.

The report covers a 2 month period; therefore, the overall number of incidents is low, although it will be noticed that there appears to have been an increase in the number of thefts from vehicles. The Parish Council urges Parishioners to be vigilant and report any suspicious behaviour to the Police. Telephone 0345 456 456 4, Crimestoppers can be contacted on 0800 55 51 11 or in an emergency 999.

**Chequer Street Car Park and Play Area.** The Village Hall Committee had made a request to the Parish Council to consider relinquishing the Chequer Street car park and play area to allow the land to be used as a site for the new Village Hall. The meeting gave consideration to the importance of retaining the existing facilities afforded by the well used play area and the consequences of increased on street car parking should the car park be lost. Neighbouring residents had made representations during Public Consultation expressing their concerns of an increased risk of anti social behaviour should a new Village Hall be developed on the site. Following considerable discussion the meeting resolved not to relinquish the land but to retain the play area and car park.

**Hampton Close Open Space / Football Pitch.** The District Council has offered the site to the Parish Council for adoption. However, during discussion it was felt that a number of questions required further clarification and it was resolved to discuss the matter further at the next .

**Parish Precept.** The Finance and Constitution Committee considered the level at which the Parish Precept should be set at its meeting held 18th November 2010.

The indications from Central Government imply that Parish Council precepts will not be capped in the future although constraints will be introduced which will restrict the level of increase. Grants received by the Parish Council, for work undertaken on behalf of the County Council have already been cut, thereby reducing the Parish Council's income. It has become clear that these grants will be further reduced or removed altogether. The Committee resolved to keep the increase at the level of expected inflation and to recommend a 3% increase on the current precept to the full Parish Council for approval.

**Dog Fouling.** Complaints have been received about owners allowing their dogs to foul in the Church Yard and Cemetery. Please all dog owners act in a responsible manner and treat the Church Yard and Cemetery with respect. Fouling on footpaths and pavements also has increased. Whilst it is appreciated that the majority of owners are responsible those owners allowing their dogs to foul are reminded that it is an offence subject to a £1000 fine.

**Next Meeting.** The next meeting of Fenstanton Parish Council will be held on Thursday 10th February 2011 at 7:30pm at Fenstanton and Hilton Primary School, School Lane, Fenstanton.

Members of the press and public are welcome.

## HILTON METHODIST CHURCH - FEBRUARY

**6th February 10 00am** Mrs Angie Barnes

**13th February 11 15am** United Holy Communion Service at Parish Church with Revds. Katy Dunn and David Busk

Children's Sunday Club in Methodist hall from 11 00am.

**20th February 10 00am** Revd. Katy Dunn (Holy Communion )

**27th February 10 00am** Revd. F. Vivian

### Discussion Group

After our seasonal break, we start again on Monday 21st February with a talk by Katy Dunn on the Quaker movement. We meet in the hall at 7 30pm for refreshments and anyone is welcome to come along.

### Fair Trade Coffee Morning

The first coffee morning of 2011 is on Saturday 5th February at 10:00am in the Methodist Hall. Again, there will be a selection of Fair Trade foods and craft goods from Just Sharing in St Ives for sale. We will also be continuing to support EACH with the proceeds from the refreshments we sell. Come along for a chat over a cup of coffee, you will be very welcome.

Remember, our coffee mornings are always on the first Saturday of the month at 10:00am - 5th March, 2nd April, 7th May, 4th June, 2nd July.

I wish to thank all who turned out on a very very cold and icy evening to sing carols round the village. It was a bit daunting to begin with – starting with five singers and two collectors. As time passed the little band grew quite considerably and after two and a quarter hours of braving the cold, the hot chocolate was very welcome! Save the Children received a cheque for £217. Action For Children received many Christmas gifts from the United Service in December. The gifts were distributed in the East Anglia Region and further items were bought for local families with the cash donations of £240-00 also collected at the service.

Grateful thanks go to the four hostesses who prepared the Advent Lunches. A very big thank you also to all who attended them. The sum of £263-40 was raised and this was forwarded to EACH (East Anglian Childrens' Hospice), together with £150-00 which has been collected at the Fair Trade Coffee mornings – a grand total of £413-40.

The final event was the Carol service at the Methodist Church, where the collection was in aid of Arthur Rank Hospice in Cambridge. This charity received £170-75.

With the economic climate at its worst for some years, I can only express my gratitude to all who contributed in any way to the above events. All amounts showed a slight increase on last year's figures, which has really made it all worth while for those who have taken time to organise these events. Many thanks and I wish you all a Healthy and Happy New Year. *Heather Woods.*

## ST IVES VOLUNTEER BUREAU COMMUNITY CAR SCHEME

Do you have problems accessing public transport when you need to attend a doctor or hospital appointment, want to visit a friend, go shopping or call in at the bank, hairdresser or chiropodist?

The St Ives Volunteer Bureau has for some years been running a Community Car Scheme in the Fenstanton/Hilton area to provide a solution to these difficulties. Volunteer drivers (all CRB checked) will pick you up from your door and take you (and a companion) to your chosen destination. If your visit will be under an hour, they will wait for you and take you home. If it is a longer trip they will come back to fetch you at an agreed time. Passengers pay the driver 40p a mile (including miles from the driver's home to yours) to cover expenses. A minimum fee of £1.50 applies.

If you would like to know more about this service or to book transport please ring **01480 301462 during office hours (12.30 to 3pm Monday to Thursday)** or leave a message on the answer phone. As all our drivers are volunteers we need to know of any difficulties you experience in getting in or out of a car and whether you need to take a wheel chair, so that we can try to find a suitable car/ driver. Please note that we normally need three days warning to arrange a lift.

At present there are no drivers living in Fenstanton or Hilton. Consequently drivers must come from St Ives or surrounding villages incurring additional costs to the passenger. If you are a car driver, particularly if you live in Fenstanton or Hilton, and could give some time to volunteer for this scheme we would love to hear from you on the above number. All our volunteer drivers find it a very worthwhile activity.

St Ives Volunteer Bureau is an office of the Huntingdonshire Volunteer Centre, Registered Charity No. 1126811, and accredited by Volunteering England.

## HILTON ACTION ON TRAFFIC

There appears to have been a recent increase in the numbers of HGV's flouting the night time lorry ban on Potton Road. Residents are urged where practicable to report specific instances to the Police (and to HAT) ideally quoting time/place, vehicle registration number, vehicle type and name of operator. On 7 December 2010, a lorry shed a large pack of paving slabs on the Potton Road footpath in the centre of the village. Fortunately pedestrians were not passing by at the time, otherwise someone could have been killed. HAT reported the incident to the Police and is taking up this issue with the haulier, requesting an explanation of how it could have happened and asking that in future he uses an alternative route. At the time of writing, the local

authorities have not made a final decision on whether to go ahead with their proposal for a speed reduction traffic calming scheme along Graveley Way. It is useful if HAT can be made aware of serious traffic incidents on roads in Hilton. If you see or hear anything you think is worth noting, whether an accident, grossly excessive speed, danger, risk-taking or just sheer driver stupidity, please contact HAT as soon as possible at [HAT-Hilton@hotmail.co.uk](mailto:HAT-Hilton@hotmail.co.uk) or alternatively phone Pat on 839022. Also phone Cambridgeshire Police on 0345 456 456 4 if you think police attendance or action may be appropriate. Please also make contact us if you feel you have the motivation, ideas and energy to join HAT or help in other ways. Tel. Bill Halford, 831193 or Margaret Shardlow, 831186

## FENSTANTON WI

We pampered ourselves at our meeting on December 2<sup>nd</sup> with a lovely meal provided by Caroline's Catering. It was all delicious; many particularly enjoyed the Stilton and herb cheesecake and the Chocolate Roulade. The crackers were pulled, the wine flowed and to top it all the clearing up and washing up were whisked away.

We were then entertained by Wayne the Magician who was magnificent. Trick followed trick in quick succession which left us all breathless with admiration. How did he do it? We knew it was sleight of hand; we watched carefully and we thought we knew what was going to happen next but we were wrong! How did Ruby's ring get inside his jacket hanging from a key ring? We all fell in love with Rocky, Wayne's furry pet who climbed up his arm and nestled round his neck peeping with bright eyes as if it was really alive. Pam thanked him for a wonderful evening and we finished by taking home a Christmas present from the Bran Tub. On January 11<sup>th</sup> 25 of us went to the

pantomime Jack and the Beanstalk at The Urgess Hall. All the ingredients for a traditional family pantomime were there; the slapstick comedy, the larger than life Dame, the baddie Grotviler to hiss and boo, the magical moments from the fluorescent dancers, and we mustn't forget the cow Buttercup who was very clever producing not just milk but condensed and evaporated milk and cream. The performance ended happily with a dazzling wedding.

We start our New Year meetings on February 3<sup>rd</sup> with a talk about Birds in Winter by Trevor Gunton.

If you would like to join our friendly group please come along. We meet on the first Thursday of each month in the Church Centre at 7.30pm. For more information contact our secretary Val Spain (01480) 463653

### **Chief Scout Awards**

Congratulations to some of our dedicated youngsters for earning the highest Award possible in their Section at the end of 2010, the Chief Scout's Award. To earn these special Awards the boys and girls have had to work hard to earn various Challenge Badges by complete a wide range of events and activities, plus provide write ups and evidence. Chief Scout Gold Award (Scouts) to Sam Nicholson and Chief Scout Bronze Award (Beaver Scouts) to Ellie-Anne Watts, Matthew Rayner, Charlie Thurbin, Oliver Read, Catherine Hitchins and Samuel Hitchins. Further details can be found on our website in our "Hall of Fame".

### **What an inspiration to our current boys and girls**

We are **extremely** proud to say that Aimee Barkway has been asked to be the female UK scouting ambassador on an all expenses paid visit (EU funding) to Dakaar, Senegal in February 2011. She will join 2 male colleagues to represent the UK at a conference on Europe-Africa scouting relations.

Aimee joined our Troop as a Scout, then becoming a Young Leader with our Beaver Colony from the age of 14. She has always made the most of every opportunity scouting has offered, including a month spent in Ghana building facilities at a school in 2008. Since turning 18 Aimee has remained with us in an adult role, aiming to help out when she is not away at university in York. Well done Aimee, and we look forward to hearing all about Dakaar after your return!

### **Can you help us with any of the following?**

We have some fantastic opportunities planned for all ages during 2011. To help support your local Scout Group, and to help make our limited funding stretch as far as we can, please contact Louise if you (or perhaps someone you know) can help with any of the following:

Like most us Christmas can bring some "interesting" gifts from friends and relatives, as well as meaning that we need to create space by having a clear out. If you have any items that would be suitable as tombola or other prizes please let us know.

The next Beaver Colony Sleepover will be a "Mad Hatters Tea Party", held in mid March. If anyone has any suitable items they no longer need please can we have them—examples include teapots, packs of playing cards, small glass bottles, chess pieces. Equally if anyone has any suitable items we could borrow just for the event please also get in touch—examples include croquet sets, giant chess set. And of course anything else you may think suitable would be great too!

Following on from the success of our last Group Camp this time we will be getting historical in early September with "Cromwell's Boot Camp", but with a major difference to anything we have done before.... we are very fortunate that Colonel Robert Hammond's Regiment of Foote (part of the Sealed Knot) have agreed to run most of the weekend's activities and it's taking place on part of the actual battlefield at Naseby!!!! We are going to need to transport a lot of kit for this one so wondered if anyone had access to a "Luton" size van or similar that might be available to help?

## HILTON WI

Our first meeting of 2011 on January 10th was a full house - and we even had a few male visitors, keen, as we were, to hear our speaker, Dr Derek Martin, physician to the UK Paralympic Swimming Team. And we were not disappointed. Dr Martin took us through the history of the Paralympics which began in 1948 with patients from Stoke Mandeville competing in paraplegic games. Since then the title has changed to Paralympics which have become what we all know them to be today, a hard-fought, competitive example of strength, courage and willpower. Dr Martin talked about the strict medical screening involved and his vital role in supporting some of the disabled athletes and was inspiring in his enthusiasm and loyalty to the British team. And he was justly proud of the many medals won by the team in Beijing in 2008.

Our diaries are already getting full with exciting activities for 2011. On 14th July there will be an outing to Caithness Crystal, followed by a tour

of Sandringham House in the afternoon; our spring lunch is on 15th April at Bourne Golf Club and our summer lunch in August. If you were not able to put your name down at the meeting for our next events but would like to go, please let Celia know as soon as possible. Payment for the spring meal will be due by the March meeting. Also, look out your photographs of Hilton in the next couple of months – the best submitted will go with our Profile in the Federation Newsletter in May.

Our meetings are held at 7.30pm at Hilton Village Hall on the 2nd Monday in the month. Next month our meeting will be on Valentine's Day, February 14th when our speaker will be Helen Floto of Paperwhite Garden Design.

If you live in Hilton but are not already a WI member and would like to know more, please give our Secretary, Ruth Salem a ring on 830358.

## FENSTANTON VILLAGE HALL NEWS

Many thanks to everyone who made the effort on the first of the bitterly cold nights on Monday, 6th December 2010, to turn out for the switch -on of the Christmas Lights on the tree at the Clock Tower by Santa Claus and the drawing of the Christmas Draw. Children wrote and posted their letters to Santa and mince pies and mulled wine helped to stave off the freezing cold. We thank all the donors of prizes in the Draw, especially Dairy Crest, and also our thanks go to Santa Claus and to John Guthrie who played the keyboard out of the back of a van to lead us in the carol -singing. We thank the Scouts who joined us for the event and did well with their bacon rolls and children 's treats and games. This year the outdoor PA system worked really well thanks to a Cambridgeshire Community Fund Grassroots Grant which paid for it. Funds raised at this event came to £1,330 which all goes towards paying for a new Village Hall.

Our next fundraising event will be 'Chips 'n' Chips', an evening out at the Casino on Friday, 4th March, in the School hall when the betting will be followed by a fish and chip supper. We look forward to seeing you there .

The Quiz Nights continue at The George courtesy of Jo and Dai on Wednesday, 23rd February, and Wednesday, 23rd March. We are very grateful to them for their ongoing support in fundraising for Fenstanton Village Hall.

## FENSTANTON PRE-SCHOOL

If it is not too late we would like to wish you all a very happy 2011.

A big thank you to everyone who has supported our recent events, particularly the Christmas disco and raffle which were both a huge success. Our special thanks go to our fundraising team, their helpers and particularly to Karen Minter who was such a fantastic D.J.

On a more serious note we would like to make it known to those out there who appear to have a vendetta against us that we will NOT be intimidated. In recent months we have had to endure dog mess thrown over the fence, a threatening, fraudulent poster campaign and, more recently, our gate padlock being superglued. The police are always informed of these criminal acts and an investigation is underway. It is so sad that a few selfish people who lack community spirit can spoil it for the vast majority who want to live harmoniously in our lovely village.

## CREATE A LUNCH AT THE DAISY CHILDREN'S CENTRE IN PAPWORTH EVERARD

Due to the popular demand of the Create A Lunch session, the Daisy Children 's Centre are now running this twice a month to enable all those who wish to attend to get a place. The sessions now have a particular theme which gives the children the opportunity to explore and learn about different types of food using textures, smells and tastes. The session is then finished off with a craft activity.

In January the theme was Bananas and the children who attended enjoyed making banana muffins, banana and raisin wraps and cheese crackers with a vegetable dip. February's theme is carrots! The sessions run on the 1st and 3rd Tuesday of the month, 10am until 11.30am and places need to be booked by calling the children 's centre on 01480 831423. All children are welcome to stay after the session to eat what they have made or they are welcome to take their creations home.

## FEN DRAYTON LAKES

Fen Drayton Lakes set a new Cambridgeshire winter record on 7 Dec. A team of people went out to check the all the lakes simultaneously, and found that we had at least eight bitterns.

These are normally extremely shy birds, preferring to hide away in the reeds, but when the water within the reeds is frozen, the bitterns are forced out into the open as they search for food. Frozen lakes are not ideal, but if you want to see a bittern, then those are the conditions that offer the best chances. You'll probably need binoculars, though, as the bitterns will move away from the paths that the birdwatchers are on.

The extended period of snow and ice forced many birds to relocate to places where food was easier to find. Some birds, such as ducks and thrushes, may have had to move hundreds of miles, while others, such as finches, may have moved into the nearest gardens where householders provided them with seeds.

If you've been feeding birds in your garden, I hope you've enjoyed watching them. Perhaps you also took part in the RSPB's Big Garden Birdwatch on the last weekend of January.

South Cambridgeshire District Council has given us planning permission for an education area on the southern side of Ferry Lagoon. This means we can install a pond-dipping platform and other facilities, and create a parking area for coaches, so that we can host school visits. We hope that everything will be ready for us to use this summer.

The same planning consent allows us to build three shelters, to overlook three different lake areas. They'll be similar to bus shelters – offering seats and some protection from the weather. These will be built after the education area.

February 2<sup>nd</sup> is World Wetlands Day, and this year marks the 40<sup>th</sup> anniversary of the Ramsar Convention, when many countries signed an agreement to protect their most important wetlands. We'll celebrate at Fen Drayton Lakes with a guided walk, beginning at 10am at the Holywell Lake car park.

## WILD LIFE TRUSTS—HUNTINGDONSHIRE LOCAL GROUP

### Life on the Fens: Eels, Punts and Poaching

Life on the Fens will be the topic of the next meeting of the Wildlife Trust, Huntingdonshire Local Group, on Wednesday 9<sup>th</sup> March 2011 at 7.30pm at Brampton Memorial Hall, Thrapston Road, Brampton.

Tonight our guest speaker will be Peter Carter who, following a long line in his family, uses traditional methods to maintain reed beds in the Fens. Peter is an expert in the life cycle of eels and describes how they have traditionally been caught using wicker traps. He will relate how recent changes in catching practices have greatly affected eel populations and how these trends are a threat to the continued existence of the eel. Peter will also show us the different types of punt and gun and how they were used in the past to shoot duck on the Fens.

In addition, Peter works for the Woodland Trust making fences and hedge laying and demonstrates the craft of willow weaving at local schools.

Anyone interested in wildlife is most welcome to attend. Admission: £2.00 members; £2.50 non-members. Please visit the web site for more information:

[www.wildlifetrust-huntsareagroup.org.uk/](http://www.wildlifetrust-huntsareagroup.org.uk/) or contact George on 01480 450809.

## FENSTANTON CRICKET CLUB

With temperatures now regularly edging above freezing, that can only mean that the new cricket season is just around the metaphorical corner. Those wishing to re-enact England's Ashes triumph can live out their fantasies courtesy of your local cricket club on nearly every Saturday from May to early September. Please contact Ronnie on 374858 if you wish to do so.

Two events of note have taken place over the close-season. Andy – Vice-Captain, Star Bowler, Batsman and Pitch Mower – has upped sticks and followed his heart to Doncaster(!); this leaves a chasm at the heart of the club that will be impossible to fill, but cricketing life must go on and, occasional guest appearances notwithstanding, the chance is there for someone to bowl some more overs, hit a few runs, drop a few catches and roll a few grassy strips.

Secondly, thanks mainly to the efforts of Steve, the Fenstanton Cricket Club 200 Draw took place with virtually all tickets sold. First prize of £500 was won by Bronwyn Taylor with the £250 second prize going to Richard Johnson. Monthly £20 winners were Roger Mitchell, Gordon Piaggese, Alison Walrond, Linda Gifford, Cliff Tattersall, Caroline Crisp, Joe Clarke and Graham Horn. £10 winners were Sara Webster, Richard Horner, Jean Tack, Mick Greenaway, Beccy Dawber, Mary Skinner, Will Webster, and Sadie Bassett.

The Club would like to thank most sincerely all those who purchased tickets and hope that those people can take some consolation from the fact that they have helped the club out of a most tricky financial situation.

The Committee are extremely grateful to Helen for her dedication and hard work to the club.
