Letters & Notices

The total collection in aid of the **Royal British Legion** last November in Hilton was £519.40 . Also, the permanent box in the shop was emptied in April and contained £9.04 . It is back in place ! Again, thank you everyone for your generosity. **Margaret Shardlow**

Thank you to everyone who sent us cards and greetings on our Diamond Wedding Anniversary and to the Hilton Flower Club for the beautiful flowers and champagne – it all helped make our day very special. **Ken and Pat Morris**

To all our friends in Fenstanton. We would like to say a huge thank you for all the lovely cards, gifts and kind wishes we have received on the birth of our son (Baby) David. We have been overwhelmed by everyone's happiness at our joyous news. We are so looking forward to moving back to the village in August when we can really begin to enjoy our new family in our new home. **Rebecca & David Cumbers**

LOST

Silver Bracelet - While attending my fathers funeral on Friday 16th May I lost a silver bracelet somewhere between the village hall, church/church yard and the Prince of Wales. If anyone has found it I would really appreciate it if they could ring me on 381318.

Many thanks and hopefully, **Amanda**

On behalf of my family I would like to express our sincere thanks to everyone for their kindness, messages and expressions of sympathy shown to us since the death of our Dad/Grandad Archie Key and during his stay in hospital. I would also thank everyone who attended his funeral on

Friday 16th May and for all the kind donations which will be forwarded to the East Anglian Children's Hospice in Milton, Cambridge. Any further donations may either be given/sent to myself Amanda Howard at 22 Tythe Piece Fenstanton or c/o F W Cook Funeral services, 49 Church Street Willingham. **Amanda Howard**

Hilton Wildlife and Conservation Group was founded in 2001. Since then it has run some very successful discussion evenings and organised some working parties helping maintain the green spaces within the village. During this period it has also developed a very good working relationship with the Parish Council. The bank balance is in a very healthy state so there is little need for fundraising for a year or more. Unfortunately the 3 people who make up the committee have had too many other commitments over the last year or so and the group has lost some of its momentum. All 3 are having to stand down and we are looking to hand over to a new committee. If you are at all interested in coming onto the committee or just wishing to join the organisation please telephone one of us; Ian Stott 830660, Julie Briggs 830580 or Roland Randall 830426.

Parish Council Report

Report Of Fenstanton Annual Assembly Of The Parish Meeting Held 22nd April 2008

The Chairman opened the 113th Assembly of the Parish Assembly by welcoming those in attendance and expressed the Council's thanks to the following Parishioners for their contribution to the Village during the past year :-Mr. Sydney Barnett, although not a Councillor, for his regular attendance and contribution to Parish Council Meetings; Mrs. Daphne Loveday, for ensuring the Christmas lights were suitably displayed on the Clock Tower over the festive period; Mrs. Donna Butcher, for tending the flower bed at the base of the Village sign at her own expense; Mr. Garth Turner, for his sterling efforts in keeping the Village litter free; Mr. Nigel Tilbury, for producing and maintaining the informative Village web site; Mr. David Pulley, for his woodworking skills in reproducing authentic replacement doors for the Clock Tower; Mr Deryck Burton, as Chairman of the P3 Committee and his associated work in ensuring the Parish footpaths are kept in a good and walkable condition.

The Chairman then reported on various matters brought before the Parish Council in the last 12 months.

A14

The Parish Council has confirmed its commitment to continue as a member of the A14 Joint Parishes Forum. Representatives from the Highways Agency and Atkins attended the March meeting of the Parish Council and gave a full and constructive report of current progress.

Northstowe Rights of Way Project.

Upgrading the Fen to Bridleway status is planned, although progress has been slowed following difficulties in contacting some the landowners.

Gypsy & Traveller Sites.

The Parish Council took part in a consultation hosted by the County Council.

Police

Disappointment was expressed that the Police no longer attend Council Meetings to provide information. All reports are now received electronically and indications are that reported crime has reduced during the year.

Planning.

Members of the Parish Council met with Senior Planning Officers of the District Council and, amongst other matters, expressed the Parish Council's concerns over ability of the current Village infrastructure to accept any future large developments.

Headlands Park Play Area.

The Parish Council has agreed to completely refurbish the play area. Some of the old equipment will be removed and replaced with 6 new pieces with both rubber safety surfaces and grass tiles. Work is expected to start at the end of May and be completed in time for the School summer Holidays.

Subway – Hilton Road.

Following a meeting with representatives of the Parish Council and the County Council Highways Department it is expected improvements to the general condition of the structure and the lights repaired in the near future. However, the flooding problem will not be resolved until the agencies concerned have reached agreement on overall responsibility.

Dog Fouling.

The attitude of inconsiderate dog owners appears to have become more prolific over recent months. Dog owners are requested to ensure they clear up after their pets.

General Discussion.

The matter of the closure and change of use of the lay bys on the A14 was raised which led to further discussion concerning the situation of HGV parking.

Responsible Financial Officers Report.

Draft copies of the Annual Accounts were available, although it was reported that the Parish Council had remained within the set budget during the Financial Year 2007 / 2008.

Next Meeting.

The next meeting of Fenstanton Parish Council will be held on Thursday 12th June 7:30pm at Fenstanton and Hilton Primary School, School Lane, Fenstanton. All members of the press and public are welcome.

Please note that due to circumstances the report of the May meeting of the Parish Council will not appear until the June edition of Spectrum.

Parish Council Report

Hilton

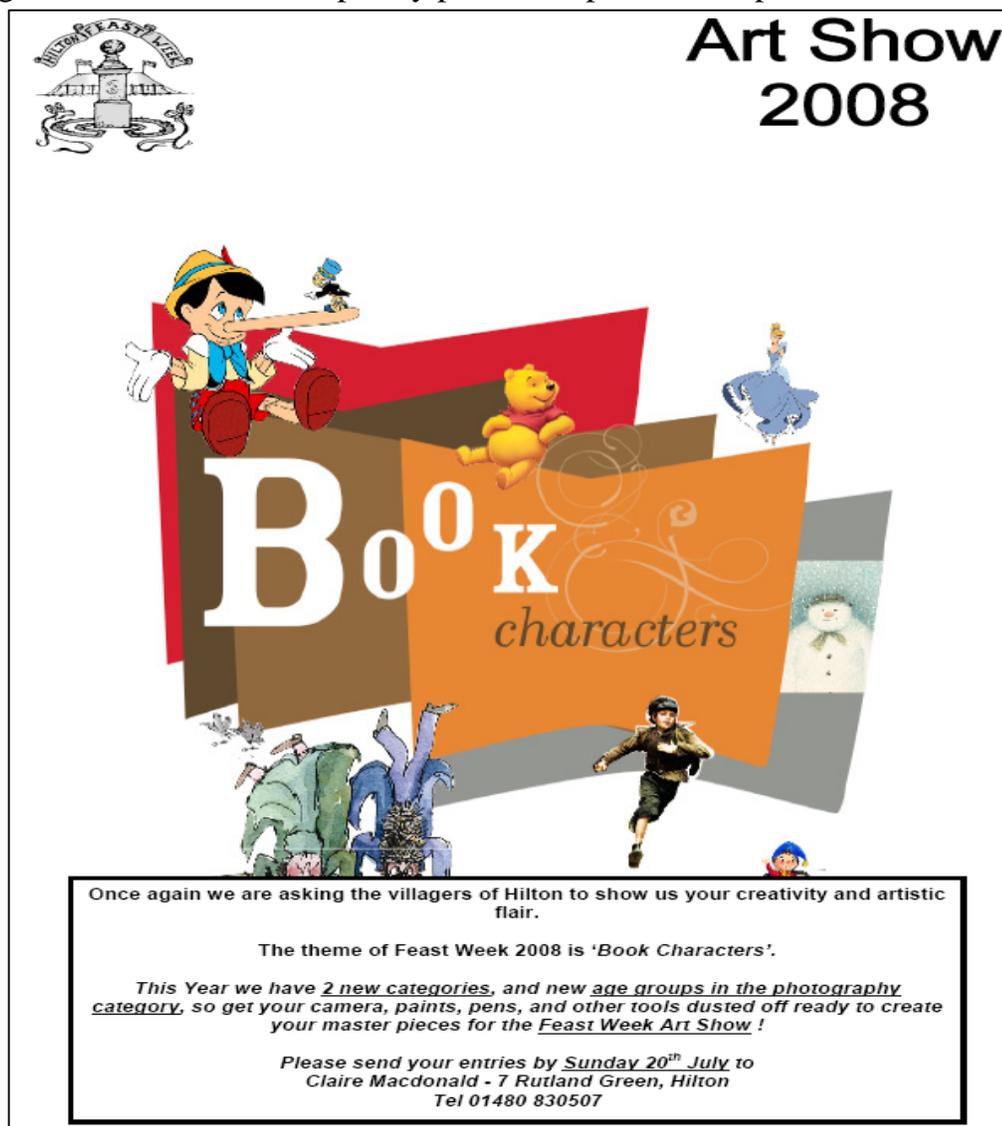

Following the elections on 1 May 08, five councillors were elected and two more were co-opted onto the Parish Council.

The current list of Councillors is: Katie Dunn, Bill Halford, Roland Randall, Clive Robinson, Margaret Shardlow, Ian Stott and Brian Ward.

The Council passed a vote of thanks to the outgoing Councilors, Graham Barradell, Keith Fleming and Lissie Wright and thanked them for their hard work on behalf of the Village. The new Council has yet to appoint a chairman and the position will be filled on rotation for the immediate future.

The Council is delighted to appoint Mrs Nadine Taylor to the position of Clerk and she is expected to take up the post following the Parish Council meeting on 2 June

Now that the new vegetation has become established along the edge of Wraggs Row, the Parish Council has agreed to remove the temporary protective posts and ropes.

The poster for the Art Show 2008 features a central graphic of an open book. The left page is red and shows Pinocchio with his long nose. The right page is orange and shows Winnie the Pooh. The text 'Book characters' is written across the pages. Surrounding the book are various other characters: a blue fairy, a snowman, a boy running, a girl, and a boy. In the top left corner is the Hilton Parish Council crest with the motto 'WIDELY EAST LIES'. The title 'Art Show 2008' is in the top right.

Once again we are asking the villagers of Hilton to show us your creativity and artistic flair.

The theme of Feast Week 2008 is 'Book Characters'.

Exquisite Craftwork Raises £1500 for Alzheimer's Research Trust.

Those unable to visit the Fenstanton Exhibition in mid-April missed a great treat. A roomful of drawings, stump work, decoupage, gold work, appliqué, calico work, collage, jewel work and pottery was entirely the work of Corinne King who staged the exhibition to mark her 50th birthday and in special memory of her father, the late Frank Groome, who suffered from Alzheimer's Disease. Corinne is to be congratulated on such a wonderful display and valuable contribution to Alzheimer's Research which receives no central funding and desperately needs ongoing financial support to maintain its important work.

COLLEGE NEWS

SVC commended for its 'can do' culture

On the 1st May the College had a visit from David Crossley, the Director of the Raising Achievement Transforming Learning project at the Specialist Schools' and Academies' Trust. Swavesey is a Consultant School for the project, working to support other schools to raise achievement. Following the College's GCSE results in the 2007, he was keen to visit the College to see the changes that were delivering such high levels of achievement. He spent the morning on a two hour tour with students and then presided over the opening of the College's hair salon 'Reflections'.

College moves towards Trust School status

On 21st April, following the statutory notice period, the Governors unanimously voted to change the College's status from Community School to Foundation School with a Trust. The Governors are delighted with the support and trust shown in them throughout this decision making process and are confident that Trust status provides the College with a range of options to secure the long term security of the College and its commitment to the pursuit of excellence and school improvement.

Music Groups Win a Clean Sweep

On April 27th, the Hathor Players and St. Cecilia 28 competed in their respective finals (instrumental and choral) at Melton Mowbray Theatre following three months of competition. Both groups won their senior classes with outstanding results. All the students involved have worked extremely hard every week to achieve standards worthy of national level.

Theatre Company triumph again

The theatre company walked away from the Sawston Drama festival with no fewer than four trophies and a very respectable third place overall. This year's production was called 'ruckus in the garden' by David Farr. Many of the cast were also nominated for awards at the Cambridge Festival.

Hilton Feast Week

A great time was had at the quiz in April and again at the Jamboree on 11 May. The quiz was a sell out and the committee would like to extend their thanks to everyone who attended and to all those who helped put on the event.

We could not have asked for better weather on Sunday 11 May for the Jamboree and again the committee would like to thank everyone who came along and supported the event. The Village Hall committee did a great job in organising the scarecrow competition and the number of entries made for a good walk around the village.

We would also like to thank the WI for their efforts in putting on the tea, much appreciated by many after their walk. The rounders at the end of the event went well with the veterans running out eventual winners.

Fenstanton WI

The resolutions to be put forward by the W.I. were discussed at our Resolution Evening on Thursday May 1st. The first resolution asks H.M. Government to urge the E.U. to ban bottom trawling. This method can use nets as wide as a Rugby pitch and are weighted with heavy metal rollers. Everything in its path is destroyed including sponges, corals and other non-target species. We voted unanimously to support this Resolution. The second resolution was about the inappropriate imprisonment of the severely mentally ill. While all of our members agreed that mentally ill prisoners should be provided with treatment and therapy in a more appropriate and secure residential environment other than prison it was felt that the wording of the Resolution was not specific enough. The resolution emphasised the adverse effect on families of the imprisonment of people with severe mental health problems. We felt the emphasis should have been on the individuals themselves. In view of this the majority abstained from voting with a proviso that the delegate should be informed why we voted this way.

After refreshments we had two quizzes set by our President Claire Barrett. These provided us with much fun and laughter. Strangely we did better on the questions about 1918 (when our W.I. was formed) than we did on questions taken from the children's version of Master-Mind.

Thank you to all those who supported our Fashion Show in which we raised over £300. It was an excellent evening and every one of our models did a superb job. Rhona Bailey thanked especially Jane Blunt who not only organised our models but was helping everywhere with serving wine, selling raffle tickets and even washing up at the end.

Fenstanton and Hilton Parish Churches, changes in store...

There are changes afoot in our two parish churches. This month in **Fenstanton** sees the completion of a new toilet and storage area at the back of church in what has been the Vicar's vestry. From the middle of June, or thereabouts, we will have a toilet in church for the first time. Designed and installed to the highest and latest standards, fully disabled person-friendly, this will be of benefit to all who come into church, particularly children, people travelling some distance for weddings or funerals, and those attending other functions in church. Please note that we shall be having an opening ceremony on **Sunday July 6th after the 9.30 a.m. service**, and everyone is invited to this, particularly those who have helped raise considerable sums of money for this.

In **Hilton** after some considerable discussion, the new pattern of Sunday services starts this month. The major change is the discontinuation of a mid-morning service on Sundays each week. Instead we will have a *single, focused monthly Family Worship* service on the 4th Sunday in the month (this month on 22nd June), which will have a mixture of old and new in a somewhat more relaxed style of worship. Suitable for all ages. All welcome.

To confirm arrangements for children's work in our two churches. The existing *Sunday Club in Hilton* on the 2nd Sunday in the month (8th June) will continue in the Methodist Schoolroom, starting at 10.55am, finishing at 12noon, coinciding with the continuing *united Ecumenical Service*, alternating between the Methodist Church and the Parish Church. One benefit for this new arrangement of services is for families to come and worship at Fenstanton on the other Sundays in the month, 1st and 3rd (1st & 15th) where a separate *Sunday Club* is held for young people up to junior school age.

The *early morning communion services* on 1st & 3rd Sundays (1st & 15th) in Hilton will remain unchanged.

Evensong will continue to be held in Hilton on the 4th Sunday in the month (22nd June), for the summer months only.

Last, but not least, the *Hilton Church Fete and Flower Festival* will be held on the last Saturday and Sunday, 28th & 29th June. For this reason, we will be holding an early morning communion service on the Sunday.

Please feel free to let me know what you feel about these changes, either directly or through one of the churchwardens. With every blessing, Robin McKenzie

Hilton Churches Sunday Club

Our Sunday Club in May was on Pentecost Sunday, so we had a party to celebrate the birth of the church. We acted the story of the coming of Holy Spirit to Jesus's disciples and sang and played shakers and bells to celebrate. We went and joined in at the end of the service in church to sing 'happy birthday' to God's church. Our next meeting is on June 8th at 11 am. All children are welcome to come along.

Tot's Praise

We enjoyed making and entering our 'Tot's Praise' effort for the scarecrow competition, plus lunch together and friendship is always a good idea. Do come and sample some at the next Tot's Praise in Hilton Church the last Tuesday of the month 1.30 to 2.30 . Coffee, singing, story and crafts. See you there.

CHILDREN AT HILTON CHURCHES – Children are always welcome at the mid-morning services in both the Parish and Methodist Churches and special activities are provided for them to do. Once a month, on the 2nd Sunday, we have a United Sunday Club which begins at 10.55am in the Methodist Schoolroom. Children can be picked up at noon when the church service has ended.

Fenstanton Village Hall Committee

We would like to thank all the Spectrum distributors who very kindly delivered the Village Hall survey form with May’s edition of Spectrum to the residents of Fenstanton. We would also like to thank all Fenstanton residents who completed the survey form and returned them in the collection boxes. Our thanks go to Ash’s Corner Shop, Ron Jacob’s Farm Shop, Barker’s Bakery, the Post Office and the residents at 1 Greenfields who all held collection boxes for us. The junior children at Fenstanton and Hilton Primary School also completed a modified version of the survey form and our thanks go to them too.

The draw for the winning survey form will be after the closing date of 25th May and the winner of the prize amounting to £100 will be notified as soon as possible. We are extremely grateful to **Chef de la Maison, Fenstanton**, who have contributed a voucher enabling the winner to enjoy a tea-

party for 10 served by their staff and to **Waitrose, St Ives**, who have contributed a voucher for £25. The rest of the prize will be cash.

We also thank the architect, Graham Riley, who provided his firm’s services for nil fee to provide a suitable design to gain full planning permission for development of the old Village Hall site to give two detached three-bedroomed houses. We are currently negotiating with estate agents as to the best method by which to sell the site.

All your views and the data you have provided will be analysed during the month of June and we hope to have some basic ideas for a design brief by the time we hold our **AGM/public meeting on Thursday, 17th July 2008, in the Church Centre.**

Meanwhile we continue our search for a suitable site to purchase which is not too prominent according to Huntingdonshire District Council and which fulfils the community need which you will have demonstrated in completing the survey forms. Jane Blunt, Chairperson.

Fenstanton Over 60s

Our first meeting in April waws well attended. We were treated to an interesting selection of films by Ted Barlow, whose films and talks are always looked forward to and always different. On the 16th April we had a general get together for lunch at the Dolphin Hotel where 21 member enjoyed an excellent meal and we look forward to the next one.

Our second meeting in April was quieter with games and gossip, but nonetheless enjoyed by all. Just to meet up and exchange news and views. Hope you all enjoy the improving weather. Keep well and see you all soon. New members always welcome.

Hilton Flower Club

We welcomed back Monica with her demonstration of 'Spring in the Air'; she did more than the usual number of arrangements this time (good for the luck raffle winners!). Monica was very informative with her useful tips, which will be helpful for our Festival in June. It was left to the beholder's eye to decide on her 'South African' bunch! However, she showed us a useful way of making a trellis hoop. A very cheery and social afternoon.

Next Meeting

Monday June 2nd 2.00pm Village Hall.
Demo 'Summer's Here'.

Cats Protection Society

We currently have 7 adult cats in foster care and ready to go to loving new homes, ranging in age from 2 yrs to 9 yrs. We do not re-home cats where there is a busy road or in homes where they do not have direct access to the outside. If you are able to offer a safe and loving home to one of these cats call us now. All adult cats are neutered or spayed, microchipped, treated for fleas and worms and have had their first vaccination. We are expecting to have a few kittens available within the next month, however, we must be satisfied that their new owners will have these animals neutered or spayed in the future. Again our strict homing criteria applies to kittens too. Please telephone for further information. The cost to the branch for the care and treatment of an adult cat is £150.00 and for kittens, approximately £50, although we do not expect new owners to cover the full cost, we do rely on your donations to continue our work.

We have many local drop of points for donated cat food, please ring for an address close to you.

TELEPHONE 01480 476696 OR 07900 25706.

Fenstanton Pre-School

Thank you to all parents who supported our car boot sale in May and also our Body Shop evening. Our next fundraising event will be a Fashion Show on the 12th September at 8pm in Fenstanton and Hilton Primary School. We will also be present at the Village Sports Day in July so please come along and show your support at these events.

Our Butterflies will soon be taking their first steps in to big school. Taster sessions begin at the end of June. Please see the notice boards at Pre-school for more information.

Can we remind you that during hot weather you send your child to pre-school with a hat, water bottle and have applied sun cream. Extra sun cream is applied after lunch for all day children.

Once again thank you to all our helpers, and if you are able to volunteer to help at a session please add your name to the calendar at pre-school. If you would like to come in and talk to the children on any interesting subjects or if you have an interesting job or profession then please contact the staff to discuss this.

We take children from the age of 3 years, and will add them to our waiting list at age 2, so if you are interested in finding out more please do not hesitate to call on 01480 496156.

Hilton WI

At our May meeting we heard details of the successful “Cream Teas” supplied by the WI on the sunny Sunday afternoon for The Hilton Jamboree.

Volunteers were requested to assist in producing a leaflet for a “walk around the village” detailing all the points of interest.

Several members had recently attended Denman College, the WI’s Residential College near Oxford. Joan Wilding showed us the pretty cards made during her course “dibbling and dabbling”, Ann Jones entertained us by singing her very funny memory of her course and this was followed by a poem written by the Denman Ramblers and recited by Muriel Bell.

Members approved the Resolutions to be put forward by the WI. As previously discussed these are: (1) *A ban on bottom trawling* and (2) *Inappropriate imprisonment of the mentally ill*.

Our Speaker this evening was Alison Edwards BSc DC FCC DCCP a Chiropractic from The Wellbeing Centre in Wyton. Her talk was particularly interesting as she explained that not only is Chiropractic concerned with disorders of the musculoskeletal system but is also used to release tensions and address any health issue. With the appropriate prop, she showed us the “marvel” that is the spine, the main communication system of the body. Margaret Wilkes expressed our thanks for a helpful and informative talk.

Forthcoming events: We are arranging trips to Southill Estate, Biggleswade, Bedfordshire on June 5th and to Grimsthorpe Castle, Bourne, Lincolnshire on July 17th. The Summer Lunch will be held on August 12th at Mill Hill View, 18 Potton Road. Our Thursford visit will take place on November 23rd. (There is a waiting list for this trip) Details can be obtained from our Secretary if you are interested in any of these future events.

Our next meeting will be held on Monday June 9th. Our Speaker will be Sarah Oliver with “Tips from a Lady Plumber”

You are welcome to join our friendly group. To do so, please phone our Secretary – Ruth Salem on 830358 or just arrive at the Village Hall by 7.15 on the night.

Fen Drayton Lakes

There is still time to enter our photography competition, Fens through a Lens, which closes on 27 June 2008. Photographs must be taken on a fenland nature reserve, including RSPB Fen Drayton Lakes and Mare Fen, Swavesey. Even if you aren't a winner, your photo may be selected for an exhibition. For more details, please phone Neil, 01954 233267.

Contractors are creating wetland features in the areas between Ferry Lagoon and the River Great Ouse. The area between Ferry Pond and Ferry Mere is being lowered, to enable the reed fringes there to expand and become a reedbed in time. The soil that comes out will be pushed into the lake edges, to create shallow areas, attractive to wading birds and spawning fish.

Shallow scrapes will be created in the grassland to the east of Ferry Mere – these areas will stay damp until early summer, enabling wading birds and their chicks to probe for food in the soft ground.

Easterly winds in Spring push some uncommon migrants across the North Sea, to the delight of birdwatchers in the UK. The fine weather at the start of May brought several migrating birds to Fen Drayton Lakes. Black terns, little gulls, Temminck's stints, whimbrels and wood sandpipers were recorded on several days. The terns and gulls nest in north-eastern Europe and into Russia, while the others were probably heading for northern Scandinavia, (some whimbrels nest in the far north of Scotland).

The warm weather also brought out the first damselflies and dragonflies, and boosted the number and variety of butterflies. High-flying insects attracted their predators – as many as five hobbies could regularly be seen together, often sharing the bonanza with the black terns, and the common terns that have taken up summer residence.

Rafts have been anchored in Drayton and Ferry Lagoons, to provide nesting sites for the common terns. The rafts have gravel on them, which the terns like to nest on, as their eggs are coloured and patterned like gravel, making it difficult for their predators to find eggs. These lagoons don't have suitable islands for the terns, and the advantage of rafts is that they will not be swamped if (or should that be when?) we get floods during the nesting season.

Guided Busway contractors are likely to be working on the nature reserve during the next few weeks, replacing the culverts that carry drains under the old railway route. This work precedes laying the busway track, and is likely to mean that motor vehicle access to Drayton Lagoon will be closed at times. Pedestrians and horse-riders will have access, although path diversions may be necessary. Please look out for notices on the site.

Please contact Neil (details below) if you would like a copy of the events leaflet or trail guide leaflet, which shows all the paths and lake names. They are available from a leaflet dispenser in the Elney Lake car park (closest to Fen Drayton village), and the Swavesey Newsagents in Market Street too.

We have two mid-week guided walks this month, and these will begin from the small car park on the south-east corner of Elney Lake, closest to Fen Drayton village, sign-posted for disabled visitors. There is also an evening event, when we hope for fine weather to bring out moths and bats. Booking is essential for this event.

Fenstanton Baby and Toddler Group

We are a small but friendly group who meet in the Church Centre each Wednesday from 10am - 11.30am. Prices are £2 per family and we welcome all children from babies to school age. If you are new to the village and looking to make some new friends or want to get out and meet new people with children of a similar age, please come along and have a coffee and chat whilst the children have a play with our wide selection of toys.

We run on a completely fundraising basis so we need to make as much money as we can to help keep the group running. We will be running a face painting stall at this years Village Sports Day as last year we found it really successful.

If you can paint faces then over the next few weeks we will have a rota drawn up where you will be able to put your name down to help out on the day!!!

Any questions please call Nicola Orchard on 01480 399957 or email nicola.caryl@ntlworld.com

Fenstanton Cricket Club

An early-season form guide reveals that Fenstanton C.C. remains an unpredictable entity for the season ahead. In this exclusive and revealing insight it will be proved that a fool and his money will soon be parted if he bets on this particular team.

26th April 2008: in an effort to dispel traditional early season rust Fenstanton reached for the cricketing form of WD40 and arranged a friendly at Houghton & Wyton C.C. It became clear quite quickly that the "Fenny" bowling had indeed been left in a damp cupboard for the winter as Houghton helped the ball over some admittedly short boundaries and themselves to 214-6 with only Sean's haul of 2-31 looking vaguely impressive. Sadly Fenstanton's batting offered little comfort as the top ("top" as in "beginning" rather than "best") order fell in quick succession to leave the visitors at 11-3 and it was only down to Andy (33 n.o) and Sean (17) that Fenstanton limped to 107 all out. End of match summary - must do better.

3rd May 2008: the first league game is March 3rd XI away. Batting on astroturf but running on grass was the basis of a schizoid Fenstanton batting display. Decent knocks from Mick, Mike, Mark and Andy gave rise to optimism and a score of 76-2 after 27 overs. Seven overs later the score was 100 all out: if Fenstanton were a bank it would be Northern Rock, not Lloyds; if it were a blond American songstress it would be Britney Spears, not Madonna. Stability was also at a premium with the bowling as early Fenstanton initiative saw Mike take three wickets to put March at 21-4 and on the ropes but the arrival of March's Mr

Dependable (actual name Peck) and his innings of 42 n.o. saw the home team past the finishing line with 4 wickets in hand. End of match summary - REALLY must do better.

10th May 2008: the first league game at home saw the "Wimbos" of Wimblington arrive amidst a perplexing flurry of fitness drills and team huddles; Fenstanton - who age-wise would give Great Uncle Bulgaria a run for his money - looked on bewildered; Tommy nearly dropped his cigarette! Birthday boy and captain Roger put in a fine personal display - he bought a new kit-bag, lost the toss, was bowled for a duck and dropped a catch. Otherwise his wise tactics paid dividends as Wimblington - clearly exhausted by their warm-ups - were put to the sword. Fenny amassed 186 all out with Mark E scoring 52, Mike 33 and Mark G 28. Fenstanton's fielders warmed up in 26 degrees with a trip to the ice-cream van whilst Andy (1-16) and Mike (2-12) put a stranglehold on the "Wimbos" reply. Brett and Mark G finished the job inducing a number of panicky run-outs (more "Dumbo" than "Wimbo") as Fenstanton cruised home by 50 runs. End of match summary - actually DID do better.

If all this sounds fun then come and join us. If it doesn't then surrender to those masochistic tendencies that exist in all of us and give Ronnie a ring on 374858 .

Hilton Cricket Club

Following last month's gloomy report, a brief presentation was made to the Annual Parish Meeting concerning the present state of the Green and the consequences for recreational activities - cricket in particular - if visitors are again allowed free access to park their cars on the grass a relatively short distance from the playing area. A councillor replied on behalf of the Parish Council, refusing to make any commitment either to continue to prevent access by vehicles or to give financial protection to the Cricket Club in the event of claims arising from vehicle damage. He also alleged that the Council already finances the Cricket Club, but was sadly wide of the mark. If at any time cricket ceases at Hilton, the Parish Council will find that the Cricket Club currently spares the Council an annual expenditure of well over £650. Just as the meeting ended, with the absence of cricket on the Green seeming inevitable, the cavalry rode over the hill to rescue the situation, at least for now. Mr Brian Ward, himself a parish councillor, saw the possibility that the financial protection might be provided by the Town Charity instead. And so it proved - Brian and his fellow Trustees have since kindly agreed that the Charity would fund the insurance "excesses" in the event that third party damage claims had to be met as a result of the re-opening of the section of the Green to vehicles. This applies to the present season only and relieves the Cricket Club of the unacceptable risk incurred by the Parish Council's action. Both the Cricket Club and the Parish Council have reason to thank the Trustees and their Clerk for understanding the situation and providing relief at such short notice.

It would be nice to report that the team rallied to this news by producing some astonishing successes on the field. No such luck this month. We find ourselves in the

real world of Hunts League Division 4, where they do things like practising, reading Wisden and wearing boots with a complete set of studs. Rather than dwell on depressing statistics, let's just note some highlights from the first three matches.

Match 1 - *Castor & Ailsworth II (A)*: Main highlight was Mark's winning the toss.

Tuddy scored 22 and Frazer, who went in at the fall of the 2nd wicket, survived manfully to be seventh out and was applauded off the field by our opponents. We met the world's slowest bowler, who nevertheless took 5 wickets because our batsmen snoozed while waiting for the ball to arrive

Match 2 - *Alconbury II (A)*: They have long memories. We beat them last time, so they fielded a Test quality player to put us back in our place. He did, but not before Arnie had swatted him for a six over long on.

Match 3 - *Werrington (A)*: Richard Ruddy's day of glory. He bowled 8 excellent overs and took 2 for 46. Frazer also took 2 wickets and so the dream of bonus bowling points became reality. Frazer once again batted with style, scoring 21, while Tuddy found the boundary five times on his way to 25.

Fenstanton Veterans Football

Over Veterans 4 - Fenstanton Veterans 1

Fenstanton completed their season as it started, with another defeat from the Over side. Due to late cry-offs we had to delve deeply into the loan market and welcome Mark and Sam from the smoke. Once again the fixture was a well contested affair and Fenstanton went into half-time only 2-0 down. As we only had the bare 11 players, fitness soon began to be an issue and even though Sam scored the best goal of the game Over ran out worthy winners.

Season stats: Played 3 lost 3 Goals against 18 Goals for 3. Any veterans wanting to get involved next season please contact Phil Stanton on 01480 394894.
