### LOVE-IN-A-BOX

September already, at the time of writing it's not been the best weather for the school holidays. Thank you to everyone who has supplied shoe boxes, but I'm still in desperate need of more. Also I'm now collecting items for the boxes, if you would like to donate any of the following soap, toothbrushes, toothpaste, pens, pencils, crayons, notebooks, balls, bubbles, cuddly toys (small), cars, playing cards, gloves, these will then be sorted and packed into wrapped shoe boxes ready to send to Moldova where they will be delivered to children hospitals and orphanages sometime in November.

Any shoe boxes or items may be left at the United Reformed Church or my house 13 Little Moor.

Wrapped shoe boxes will be available from the United Reformed Church or my house from the middle of September.

Many thanks

### **Fenstanton Parish Church Summer Coach Trip**

It was our biggest coach trip yet! On the first Monday of the school holidays, 71 church family and village friends left a soggy wet Fenstanton either on a coach or in the four cars that followed and headed to Southwold, Suffolk for a day out at the seaside. We were very lucky as we enjoyed blue skies, the beach, swimming in the sea (younger travellers!), walking, visiting the pub, shops, ice cream and fish and chips! Thank you to

everyone who came along - it was a good start to the Summer weeks, as our youngest traveller William (pictured) shows! Katie Hucklesby

# FENSTANTON FOOTBALL CLUB

## First Team Top Goal Scorer

His second season at the club, **Ben Hall** (not pictured) was top scorer in the 2015-16 promotion campaign with 30 goals but couldn't quite match that this season and only managed to find the back of the net 15 times. Let's hope he can find his form again next season!

## First Team Player's Player

**Craig Flavell** has been one of the most consistent player's this season playing on the right side of midfield or up front. Making 17 appearances and scoring 5 goals, Craig won the votes from his team mates to take home the Player's Player trophy.

## First Team Manager's Player

Only missing a couple of matches all season, **Tom Cody** has played in a variety of positions but towards the end of the season found himself in a regular spot in the centre of defence alongside Fenstanton legend David Werthmann. It was Tom's reliability on and off the pitch, and the fact he gave 110% each week that he was crowned as Manager Adam Buckingham's favourite player.

## Reserve Team Top Goal Scorer

In the first season of the newly reformed Reserve Team, **Josh Heaford** found the back of the net 18 times, including a crucial penalty conversion that took the Reserves through to the final of the Hunts Lower Junior Cup. Let's hope Josh stays with the Reserves for another season and carries on banging the goals in, or indeed he may get called up to the First Team if he continues to shine in the lower leagues.

## Reserve Team Player's Player

**Mark Walker** has been at fenney for a few years on and off, but this season found himself in the centre of midfield for the Reserve Team. Making 23 appearances across the season, Mark won the votes of his peers making him their favourite player. Hopefully he'll stick around for at least 1 more year.

## Reserve Team Manager's Player

Playing amongst the big boys of the First Team last season in Division 2B, **Scott Wilkinson** took his experience down to the Reserves in Division 5B for their 2016-17 campaign and soon became a fan favourite. Only missing 1 game all season, making 25 appearances and scoring 8 goals, if Scott keeps this up he is bound to be a future captain of the First Team very soon!

## Clubman of the Season

**Pete Vine** has been at the club for over 10 years and has taken part in most activities with the club on and off the pitch. But it was this season he really helped keep the machine well-oiled by helping out in every area he could. Pete took training sessions, pre-game warm ups, refereed games when the FA didn't supply us a match official, helped out at car boot sales and played for both First and Reserve teams when they have been short on players. He even scored!!!t's people like Pete that help clubs like ours run smoothly.

09/09/17	Reserve	Coldham United Reserves	3pm	League Match
16/09/17	Reserve	Benwick Athletics Reserves	3pm	League Match

## Capability Brown TV Program

Dear all,

I watched an interesting program called 'Capability Brown's unfinished garden' on BBC 4 on the 4th August.

This is a fascinating account of Lancelot Brown's plans for the development of Fenstanton and well worth watching on Catchup or BBC iPlayer.

## THE FENSTANTON FRIENDSHIP CLUB

### **21st July:**

We had a wonderful strawberry tea. The company was great and the food delicious including scones with cream and jam, cakes, trifles and of course strawberries and cream. An event looked forward to each year.

### **5th July:**

Off we went to Scotsdales, Shelford, where we had a most interesting talk on potting up planters, after which we had a delicious cream tea. A really nice afternoon.

### **19th July:**

Today we had Bingo called by Margaret Arnold. Thank you Margaret. An afternoon chatting and celebrating Dorothy Wilmot's 90th birthday with cakes provided by her family.

### **2nd August:**

We left Hartford Marina at 10.00 am aboard the "Ladybird". We travelled at a leisurely pace down to St. Ives where we had fish and chips from "Local Fish & Chips". Ordered ahead the food was very good, piping hot and ready on time to be collected and eaten on board. The weather, although not too sunny, was kind to us and the scenery beautiful. The crew of the "Ladybird" are wonderful and made sure we had a safe and enjoyable day. Thank you.

## FENSTANTON PARISH COUNCIL

### **A welcome to the new Councillors**

Warm welcome to Mrs. Cheryl Richards & Mr. Jim Buchanan who has filled two casual vacancies for Fenstanton Council.

The Police crime initiative planned to take place in the Village this spring has been postponed. The postponement follows a substantial increase in burglaries and car crime in a neighboring Parish and reduction of crime in Fenstanton.

### **Overhanging vegetation**

Parishioners are requested to ensure they cut back any overhanging vegetation.

### **Hazardous gravel from driveways**

Parishioners who have driveways graveled please keep the gravel from further spreading onto footpaths and roads to a minimum as this is hazardous to pedestrians and cyclists.

### **Potholes**

Spotted one? Please report it via correct channels:

<https://highwaysreporting.cambridgeshire.gov.uk/>

Potholes will remain unrepaired if they are not reported correctly.

### **Whippet Buses withdrawal**

Fenstanton Parish Council has expressed concern and dismay at the schedule changes to the 1A service. The changes as indicated will have a detrimental effect on Parishioners and those from surrounding villages who use the service to commute to Cambridge, St Ives and Huntingdon. More information when available.

The next meeting of Fenstanton Parish Council will be held on Thursday 14<sup>th</sup> September 2017 at 7:30 at Fenstanton & Hilton Primary School, School Lane, Fenstanton.

### FENSTANTON WI

#### July

Frank Boddy from “ Wild in the Pantry “, a personal chef who also runs pop-up restaurants locally, showed us in about 45 minutes how to make 4 different canapés using simple techniques and very little cooking. We all enjoyed Frank’s demonstration, helpful hints and the delicious canapés which we all got a chance to sample. All the recipes were made available and we left the meeting inspired with ideas to create our own.

Pamela Tasker, who has worked in the garment industry managing the supply of haberdashery in retail and wholesale companies, came along and gave a really interesting talk about what we usually take for granted – buttons – their history, what they can be made from and lots more. She also brought along lots of samples for us to see and touch.

## Turnpike Keystone Update

I am sorry to report that the keystone that was removed from the Turnpike Bridge, as per the photo on the last copy of Spectrum (engraved with AD 1809) has been stolen from the contractors who rebuilt the bridge. This is important local history, as the office who managed all of the local turnpikes was located in Fenstanton from the passing of The Turnpike Act in the 17th

Century.

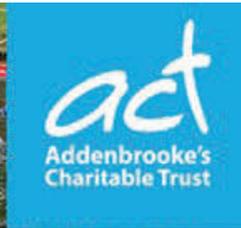

There seems to be lots of rumours that someone knows where it is, but you know rumours. Skanska, from whom it was stolen, will report it to the police, and hopefully it will turn up. The Norris Museum are potentially interested in having it there.

If anyone knows of its whereabouts could they please let me know, no questions asked, we just want it back.

## **Fenstanton Men and the WW1 Battle of Passchendaele 1917:**

Seven of the Fenstanton men who perished in WW1 died at Passchendaele in 1917. These men were recently remembered at a special 'Every Man Remembered' service in the village parish church organised by the St Ives branch of the Royal British Legion. I think that it is important that we remember these men here in the Spectrum, especially for those of you who were unable to attend the special service. The following are brief extracts from my book 'The Fallen Soldiers of Fenstanton'.

### **Alfred James Bond:**

Alfred James Bond was born in 1882 in Chequer Street. He was the son of William James Bond and Alice Jane Crouch. Alfred was 32 years old when the First World War started in 1914, he presented himself to the recruiting office in Bedford and initially he was with the Royal West Kent Regiment. Sometime later he was transferred to the Duke of Cambridge Own (Middlesex) Regiment and subsequently he was promoted to Lance Corporal.

Alfred was with the 2<sup>nd</sup> battalion at the third battle of Ypres where on the 16th of August 1917 he was posted as 'missing, presumed dead'. His body was later recovered and he is buried with Honour in the Tyne Cot Memorial Belgium.

### **Jack Robert Bond:**

Jack Robert Bond was born in Chequer Street in 1894. He volunteered for the army in 1915 when he was 21 years old. After basic training he arrived in France on 19<sup>th</sup> of September 1915. He was assigned to the (Royal) Army Service Corp and rose to the rank of acting Sergeant. He later transferred to the Royal Field Artillery.

As with his brother Alfred, Jack was killed in the third battle of Ypres, also known as Passchendaele. Jack was wounded on July 31<sup>st</sup> 1917 and died August 1<sup>st</sup> 1917 aged just 24. Jack is buried in Brandhoek New Military Cemetery, Belgium.

### **Charles Chapman Bull:**

Charles Chapman Bull was born in 1884 in Back Street, Conington and was one of six children born to Charles Bull and Elizabeth Elger. Charles would have been 30 years old when WW1 was declared, we do not know when he joined the army but we do know that he enlisted in Bedford and was part of the 2<sup>nd</sup> Battalion the Bedfordshire Regiment. Charles went missing presumed killed in action in France on the 20<sup>th</sup> September 1917 and is remembered on the Tyne Cot Memoria, Belgium.

### **Frank Jeffs:**

Frank Jeffs was born in Hemingford Grey in 1895. He was the son of Amos and Ellen Jeffs. Frank went all the way to Bedford to enlist so it is possible that he first enlisted in the Huntingdonshire Cyclists Regiment as so many young men from our district did. He was a Private in the 2<sup>nd</sup> Battalion Bedfordshire Regiment. Frank Jeffs was killed in action on Sunday 29th July 1917 and he is buried in the New Irish Farm Cemetery, Leper, West-Vlaanderen, Belgium.

### **Harry Martin:**

Harry Martin was born in Hilton in 1877. He was the son of James Martin and Sarah Ann Rossin. Harry was 37 years old at the start of WW1. His sister lived in Surrey and Harry was in the habit of visiting her and this could explain why he enlisted in the Queens Royal West Surrey Regiment and perhaps he enlisted in Surrey.

Harry Martin was killed in action on 21<sup>st</sup> September 1917 aged 40 and is buried in Ypres Reservoir Cemetery, Leper, West-Vlaanderen, Belgium. He was only identified by his service disc (Dog Tag) and is buried surrounded by a large number of unknown soldiers.

*Continued page 31*

### **John James Page.**

John James Page was born in Hemingford Grey in 1893. He was the son of Sam Page and Ellen Maria Jane Jackson. When WW1 was declared James and his brother Edwin answered a local recruiting advertisement for the Huntingdonshire Cyclists Battalion. They both enlisted on 17<sup>th</sup> October 1914 at the Huntingdon headquarters.

On the 5<sup>th</sup> of March 1917 John was promoted to an acting 'unpaid' Lance Corporal! Later in 1917 he was with the British Army fighting in Passchendaele, France (Third Battle of Ypres) and he was killed in action on 31st August 1917. He is buried in the Tyne Cot British Cemetery, Belgium. At first he was classed as an 'unknown British soldier' but later he was identified and there is now a headstone marking his grave.

### **Tom Cecil Tebbs:** (*Tibbs on the Fenstanton Village War Memorial*).

Although a resident of Fenstanton, Tom Cecil Tebbs was born in Market Hill, St Ives in 1890. His father was John Tebbs and his mother was Susanna Edwards. Tom enlisted in St Ives and was assigned to the 1<sup>st</sup> Battalion the Bedfordshire Regiment.

Tom was killed in action on July 27<sup>th</sup> 1916, his body was never recovered. He is remembered on the wall of the memorial hall at the Thiepval Memorial, Somme, France, as having no known grave.

PPS.

It's time to bring a rhyme retake, to underline a small mistake –  
the need for final short addendum, and then, alas, at last to end'em!  
My prime and foremost first intention was to give all those a mention  
in the village where we live, to those who serve, are glad to give,  
who daily walk that extra mile, while giving others cause to smile,  
and cheer our day to day routine, while making living more serene!  
I offer now appreciation for all those across this nation,  
Royal Males, the Parcel Force, all those serving us, of course,  
Fire Fighters, Para Medics, those who plumb or mend electrics,  
Gardeners, Teachers, Cooks, Commuters, those who clean or mend computers,  
Midwives, Dentists, Nurses, Bobbies, those encouraging our hobbies,  
those who run our many clubs, Knitters, Tai Chi, Guides and Cubs,  
Vicars, Laymen, Butchers, Bakers - any other local takers?  
So hereby I must applaud Graham, Jez, Ben, Kate and Claude,  
Peter, Joy, Rosanne and Jean (any others in between!)  
If you're missing from my list, please consider you're not missed!  
So this month I go for broke - and thanks to all our Spectrum folk!

## CAMBRIDGE BOTANICAL GARDENS

**Plant Profile:** *Malus transitoria*

Fruits of labour

As summer turns into autumn, we begin to notice and enjoy nature's bounty and the fruits of its labour. We have many different species of trees here at the Botanic Garden but one worthy of mention is *Malus transitoria* - a charming crab apple offering floral decadence in spring, and fruiting elegance in autumn.

As a relation of the cultivated apple (*Malus domestica*), this species has potential scientific value for crop development, particularly in the areas of hardiness and drought tolerance, and it

is occasionally used as a rootstock for cultivated apples.

Its value also lies in its ornamental charms. The clouds of spring blossom create a seasonal spectacle, while the autumn fruits provide a subtle distraction from the vibrant colours of autumn foliage. It is later to come into flower than many of the crab apples, so extends the season of interest of the genus *Malus*. In autumn the leaves may take on a rich yellow colouring, particularly when temperatures are low and frosts persist. Delicate fruits to 8mm in diameter decorate the tree throughout September and October. These are a bronze-yellow in colour and have given rise to the common name golden raindrops. The fruits are edible, but given their size and sharp flavour this species is not considered worthy as a crop, though the fruits provide a valuable source of food for birds.

Here at the Botanic Garden we have two specimens of this species, one growing to the north of Cory Lodge and one growing at the eastern end of the South Walk. The species is noted as a small, spreading tree, which can reach 8m in height and spread, so would be suitable for a smallish garden. It will develop to form a small tree which will bring interest to the garden, but which will also lift the spirits – as nature's bounty so often does!

The Cambridge University Botanic Garden is open from 10am – 6pm, July – September, 7 days a week. The Glasshouses and Café close 30 minutes before the Garden and the Botanic Garden Shop at Brookside closes 15 minutes before the Garden. Please check the website at [www.botanic.cam.ac.uk](http://www.botanic.cam.ac.uk) or telephone 01223 336265 for details about opening times, admission charges, tours, courses and special events.

## Fenstanton Fireflies.....would you like this baby and toddler group to continue?

Although we are getting some new families, our numbers are not growing enough to financially sustain our meetings in the future. We also need new people to be on the committee as some of us have children/grandchildren who will be moving on to pre-school or school in September and will no longer be able to be involved. Why don't you come along and give us a try on a Wednesday at 10am? It would be such a shame to see the group fold.

We have decided that we cannot be open during the next summer holiday, as we realise this is when many people will be on holiday themselves.

Regrettably, unless we get an increase of numbers in the next couple of months, we will be unable to re-open in September.

**FENSTANTON BOWLS CLUB - [www.fenstantonbowlsclub.co.uk](http://www.fenstantonbowlsclub.co.uk)**

By the time you read this the outdoor bowling season will be drawing to a close. As usual at Fenstanton our seven league teams have had mixed results throughout the season. We still have the possibility of promotion in a couple of leagues if the results go our way. Roger and Janice reached the semi-final of the County Senior Mixed Pairs played at Needingworth Bowls Club but, unfortunately, they lost on the last end. We have two ladies in the semi-final of the C&D lady's pairs - good luck to Janice and Pat. It will be a very busy end to the season with club competitions drawing to a close. As well as finals day we have President's Day to look forward to.

After several of our members moved away at the end of last season our membership remains the same. Luckily, we have recruited some new members to keep the numbers up. Next season, as always, we will be looking for new members from Hilton and Fenstanton to join our busy and friendly club.

## Charity Skydive to raise money for local Air Ambulance

On the 16<sup>th</sup> of September 2017, a group of friends aged 16 to 18 from the Fenstanton and St. Ives area will be completing a skydive to raise money for Magpas, a charity that provides critical care by helicopter and rapid response vehicle in the East of England area and beyond. The charity is not funded by the government so relies on donations by generous members of the public to continue being able to provide critical care to the people who need it.

Matt Harding, Ruth Amey, Jade Daniels, and Matt Morris (pictured, left to right) have set a target of £1100 to allow them to complete the skydive for Magpas. They have named their team "Team Magpie" as Magpies fly like the Magpas helicopter and Magpie sounds like Magpas. The team is all from the Fenstanton and St. Ives area.

Matt Morris, a member of the team who lives in Fenstanton, added "The team is proud of the £360 we have raised so far, and very grateful to those who have already donated. However, we can't stop there; we need to hit our target of £1100 so that we can complete the skydive and raise as much money as possible for Magpas."

Ruth Amey, who organised the charity skydive, said "We decided that we would like to raise money for a worthwhile local charity by doing a skydive; what better charity than Magpas. We were particularly interested in supporting Magpas as they do not receive funding from the government, so without donations from members of the public and fundraising projects such as this one, they would not be able to save the many lives that they do each year."

Team Magpie appreciates all donations to help support this fantastic local charity. You can donate online by this link: [www.gofundme.com/team-magpie-charity-skydive](http://www.gofundme.com/team-magpie-charity-skydive) If you would like to donate via cash or cheque or via another method, or if you would like to get in touch with the team, you can email [teammagpieskydive@gmail.com](mailto:teammagpieskydive@gmail.com) Thank you.

## FENSTANTON SURGERY

News from your local surgery.

We have listened to comments from our patients and have therefore increased the amount of time we have a doctor and/or nurse available for consultation in our Fenstanton surgery. Currently we have bookable surgeries every weekday morning and we aim to increase this further by adding in some afternoon clinics, hopefully in the near future.

Our team has recently been complemented by the employment of a Nurse Practitioner, Josie Johnson who can diagnose and prescribe for a variety of minor illnesses and injuries. She is also experienced in the management of diabetes and hypertension as well as a full range of nursing duties. We plan to increase her skills by training her in the management of respiratory disease.

The flu season will soon be upon us and we have planned our clinics already!

We have Saturday clinics in St Ives from 9.00am – 12.30pm on 16 September and 7 October. There will be clinics in Fenstanton on 25<sup>th</sup> & 28 September, 9<sup>th</sup>, 12<sup>th</sup>, 16<sup>th</sup> & 19 October. We would like to ensure that our eligible patients are vaccinated as early as possible this year. Those eligible for a free NHS flu vaccination are: over 65 years of age, those with a chronic disease such as asthma, COPD, heart failure hepatitis, kidney disease, problems with your immune system, stroke or TIA, diabetes, pregnant ladies, carers, healthcare workers, children aged 2 – 4 years. Further details are available in the practice and on our website. Please call us and book your appointment – we are waiting to take your calls.

Please be aware that there is currently a national shortage of both Hepatitis A and Hepatitis B vaccinations which may continue until early 2018. The vaccine will be given to individuals who are assessed as being at the highest and most immediate risk and will affect the new programme being introduced for babies to receive Hep B. You may be offered an alternative vaccination.

We would like to express our thanks to Mrs Hucklesby for the very generous donation in memory of her husband Graham Hucklesby, enabling us to purchase two new examination lights, one for Dr Jain and the other for the nurses room, also to the Hartford Bridge Club and those sent to Willingham Funeral Service for their kind donations towards the purchase of a paediatric pulse oximeter in memory of Mr Kenneth Firth.

We are also very grateful for all your support through book purchases and donations.

## HILTON PRODUCE SHOW

A resounding THANK YOU! to all our contributors both helpers and exhibitors, for making Sunday, July 23<sup>rd</sup> a happy and colourful day. The children's exhibits were, as usual, delightfully humorous and creative from the floriferous boots and shoes, to the amazing "superheroes".

We had some wonderful floral arrangements in a retro style and a 300% increase in entries for the men's cake challenge. David East was the Frog Prince again (hurrah!) in an unbeaten three year run. However there were some strong new challengers. Sadly one brilliant man-cake had to be disqualified because it did not match the criteria, so do please read the specifications carefully.

Our prize winners are displayed below, with congratulations and thanks from the Produce Show Committee. We look forward to seeing you all again next year.

## Local Weather Watch

As we reach the third month of the summer, weatherwise there has been something for everyone, very warm spells, pleasant temperate days, unusual gales and sustained dry periods followed by a wet second half of July. The predominantly dry weather during the first half of May was brought to an abrupt end on the 17th when 1.15 inches of rain (29.7 mm) fell making it the wettest single day since October 13th 2014. This was quickly followed by the first warm spell between the 22nd and 28th May with mostly unbroken sunshine and the highest temperature reaching 27.3C (81F) on the 25th. After a rather warm start to June, an unusually deep depression brought gales and some heavy rain on the 7th and 8th (Election Day.) By the 9th however, summer returned with increasingly warm or hot conditions up to the 25th, often with warm and humid nights. However the last four days of June brought a dramatic change to cool sunless conditions, with an inch of rain falling on the 27th/28th and a maximum temperature on the 28th of only 15C (59F). A contrast to the 18th and 19th when 32C (around 90F) was reached. By the 1st of July warm and dry conditions returned lasting up to the 10th. After a couple of cooler days the heat increased once more up to the 18th, when a dramatic thunderstorm brought it to an abrupt end. The rest of July brought unsettled weather resulting in the month being the wettest since January 2014 a total of 90.6mm (3.6 inches) falling. Imagine living on the Indian Ocean Island of Reunion however, where, on 16th March 1952 an unbelievable 70 inches of rain fell in a single day! That's about three years worth of rain in our part of the UK. The changeable weather continued through the first week of August. As always, how one views the summer to date depends on where you are living in the UK. South east England and East Anglia have probably fared best and so far temperatures have generally been above or very close to average. Fortunately, we have avoided the dangerous heat levels which have been afflicting 10 countries in Southern Europe. If you are flying for your holidays at this time of the year, the chances are you could fly through a thunderstorm and be hit by lightning as aircraft provide a highly conductive path for it. On average, a typical commercial 'plane can expect to be hit once a year. Fortunately, with onboard electronics being electromagnetically shielded and lightning discharge wicks fitted, apart from a bumpy ride you should be fine. As it is the "silly season", I will finish with a few obscure words to describe things you might encounter in visiting the countryside, which I read in an article recently. For example, do you know what the following are?:- Aggy-Jaggers: an eerie sea mist that forms on the shore and creeps inland. It is mentioned in Charles Dickens Great Expectations. Honkydonks: East Anglian word for boots or shoes made heavy by tramping through mud. Roarie-Bumblers A Scottish term for fast moving storm clouds - literally "noisy blunderers" and finally, you may like a "nuddle", i.e. to walk in a dreary or pre-occupied way. It comes from the Old English "poddling".

## HILTON ART CLUB

July was busy for the club, starting with a visit to Patchings Art Festival in near Nottingham, which was wonderful. We learned a lot from the workshops and by watching artists at work and as usual, spent our money on art supplies! The next village hall session was 'Out of Africa', when we welcomed Catherine and Margaret as new members. Last but not least, was our exhibition of our work within Hilton Feast Week Art Show. We had a good display of paintings, thanks to our members. Thank you, Emma for your help and in stepping in to organise the Art Show this year.

On 4<sup>th</sup> August, we had an enjoyable morning painting and drawing in the village and were very lucky with the weather this time and were also joined by Wayne, who has also joined the club.

## Hilton Feast Week

Hilton Feast Week committee would like to say a massive Thank You to everyone who was involved in another successful week. Whether it was our fantastic volunteers (we won't even attempt to name them all, but you know who you are) to those who came along to support the various events come rain or shine, without you all it wouldn't have been the fun that it was.

Classic Vehicle Show & Weather

The 40<sup>th</sup> anniversary week got off to a flying start with a Bavarian Night on the Friday, but unfortunately there was a slight downer on the Sunday morning when it became clear that someone had broken in and stolen alcohol and meat on the Saturday night.

Despite this set back and the rain that persisted through most of Sunday, the Produce Show, Classic Car show and Floats were yet another success and we saw the highest number of floats entered for a number of years.

The weather (we're British – we have to talk about the weather) was variable through the remainder of the week, but as usual there were excellent turn out for all the events including the Art Show, Sports Day and Band

Nights, oh and who can forget Hilton's Got Talent. The introduction of the Hilton 200 Club has started off well, and there is still plenty of time to join up for the future monthly draws.

## HILTON WI

The speaker for our July meeting cancelled but Mr Gordon Dyer MBE came at short notice to talk to us about The Acorn Cancer Group.

This is a registered charity formed to provide support for both patients and carers. They can forget about their condition and treatment and relax by having a massage ,just chatting, having outings, going out in a group for meals and just enjoying the friendship of people who know how they feel.

There are groups in St Ives, Huntingdon and Ramsey and always welcome volunteers and anyone who can help them to raise funds as the attendees do not have to pay for the services provided. It was a very interesting and informative talk and made us realise that there are some very kind and caring people in our local community who give up a lot of their time to keep these groups going.

About 40 of us ,including friends and husbands went on our annual coach trip, to the National Arboretum in Staffordshire. It was quite a long day as we left at 8 o'clock and we arrived home at just after 7o'clock in the evening! It was a very interesting day. We started off in Lichfield and were shown round by a very informative guide and he took us to see the house of Erasmus Darwin, the grandfather of Charles Darwin. He was a very clever man, a scientist, doctor and poet. It was quite an experience to see how he must have influenced his grandson as he was a great inventor and encouraged Charles to be adventurous and believe in his discoveries. We then went to the Arboretum, sadly in the rain, we saw a lot of information about the wars, details of people who were very brave in the dreadful battles and stories of their relatives who were often not told the whereabouts of their fallen sons only that they had died in service. We went on a little train to see all the memorials, it was quite an experience to see how many people were involved. The Army, Navy, RAF and a lot of groups from countries worldwide were remembered. A most thought provoking trip but well worth the effort.

In August we had our Summer Lunch in the Village Hall which was well attended, a fantastic array of food which was brought by our members, we had lots of time to catch up with our friends and have a good gossip!

Our September meeting on the 11th will be a talk on the Paralympics London by Sandra King so come to the Village Hall for 7 30 pm.

We hope to have a drawing workshop in September so contact the secretary for details.

## HILTON BRITISH LEGION

The recent centenary of the start of the Battle of Passchendaele, 31<sup>st</sup> July 1917, was commemorated locally by a flag raising ceremony at Pathfinder House attended by the Deputy Lord Lieutenant of Cambridgeshire, a number of local Mayors, Deputy Mayors and representatives of the three services, also a veteran of Dunkirk in his nineties. The ceremony continued with the laying of wreaths at the Huntingdon War Memorial.

This year's final Everyman Remembered ceremony in Hilton was held during Morning Service in the Parish Church on Sunday August 20<sup>th</sup> for Harry Jennings. Harry was married and working here but was born in Haslingfield where his name is also recorded on the war memorial there, along with those of two of his brothers. All three brothers were killed within the short space of 4 months. What a terrible tragedy for any family? We believe he and his wife had no children.

We will also remember Captain Noel Chavasse, VC and Bar, MC of the Royal Army Medical Corps who died from his wounds on 4<sup>th</sup> August 1917 at Passchendaele. We first learnt of Noel's great heroism whilst preparing our exhibition, in the church to commemorate the start of World War I, held 2<sup>nd</sup> to 6<sup>th</sup> August 2014. Some of his memorabilia was displayed in the north eastern corner of the church.

There remains only one more Hilton ceremony next year for James Ellwood which will include a remembrance for Sidney Jones who is buried in a designated War Grave in our churchyard. There will be 16 such local ceremonies for a total of 55 men in 2018, the final one being in Fenstanton on 4<sup>th</sup> November 2018 which will of course be particularly poignant and special.

We are already making arrangements for Poppy Appeal fortnight which begins on Saturday October 28<sup>th</sup> and as ever will appreciate the huge support of the usual collectors and equally always very much welcome new volunteers. Some of our collectors have been supporting the Royal British Legion, in this way for as long as 35 years which is really amazing.

## Forthcoming Whippet service changes

Many of you will now be aware of the current cancellation of Whippet Bus services. This is an update of the situation .

Councillors agreed at the Economy and Environment Committee last week (10 August) to provide a short term fix for replacement services following an announcement from Whippet Coaches.

Whippet Coaches operate a range of bus services across Cambridgeshire and these are a mixture of commercial services, operated without any direct funding from Cambridgeshire County Council, and others on contract to the Council.

The Council received notice from Whippet Coaches that they are deregistering a number of bus routes from 3 September 2017. The Council has a duty under the 1985 Transport Act to consider whether replacement services are required, and if so, has the power to provide such services.

A report was taken to the Committee last week to consider recommendations.

Councillor Ian Bates, Chair of the Economy and Environment Committee, said "Since Whippet Coaches told us about the changes to some of their local bus routes, we have been looking at options.

"Last week, at the County Council's Economy and Environment Committee it was agreed we would provide a short-term fix and fund replacement bus services for the majority of routes for up to one year.

"We will be reviewing current contracted bus services and community transport to see if further efficiencies and alternative services can be made, but I'd urge communities and Parish Councils' to help us and consider any local solutions, for instance could they run a village car scheme in their area?"

"Officers will report back to the committee on this work within nine months to allow a decision to be made on the longer term solution with contracted bus services and community transport."

Councillor Steve Criswell, Local Member for Somersham and Earith said "I'm disappointed that Whippet has withdrawn so many services with so little notice. However I am pleased that working with colleagues at the County Council we have developed an interim solution for most services. I am particularly pleased to be retaining the 21 service which is relied upon by residents in my division. However we now need to work on finding a more sustainable solution and I will be doing all I can to help"

The Council will shortly provide further details on new operators and timetables in advance of the services changing.
